Questions & Answers (U.K. Only)

Q: What does it cost to produce a 200 gram cup?

A: 66p including license, cup & 200 grams of premium pic n mix.

Q: What price do we sell the cup for?

A: Standard RRP is £2.00. Premium locations = £2.00 - £3.00.

Q: Is telemetry available?

A: Yes, dependent on wireless access.

Q: Are other sizes available?

A: Yes, please tell us how small/big you want it.

Q: Can we use our own candy?

A: Not on this model as we like to protect the quality of supply.
Our candies are well known pic n mix favourites and quality assured.

Q: How many kilos does the m/c hold?

A: Approximately 48 kilos. 8x6 kilos.

International Sales

Available: Purchase Plus license key only

Q: Can we use our own candies?

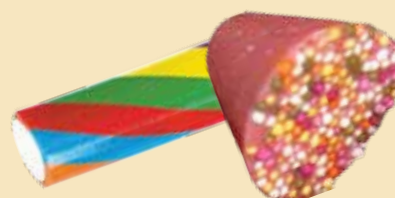

A: Yes you can however there will be a minor cost for software changes.

Q: Can you introduce us to service providers?

A: Yes we have contacts in most worldwide areas.

Q: Can we set our own price of play?

A: Yes you can.

Build Your Own Pic n Mix Machine

We can offer a bespoke branding service.

A mock example can be seen below.

We can offer a generic version of the Pic n Mix dispenser for areas where branding is an issue.
